Protecting God's Children Announcement The Diocese of Greensburg requires all volunteers to update clearances every five years. Volunteers with expired clearances will soon receive letters notifying them. Once you have received this letter, you will be able to update them online or by calling the parish office for help doing so. Any questions, please reach out to the parish office!

Our Saint John Parish Needs Liturgical Minister Volunteers

We VERY MUCH need a few new altar servers, ushers, lectors, and Eucharistic Ministers. As Deacon Mike wrote recently, *"Catholic liturgical ministries are integral to the vibrant celebration of the liturgy. Each ministry, in its unique way, contributes to the rich tapestry of worship, drawing the faithful closer to God and to one another. By being a part of these ministries, the Church manifests the unity and diversity of the Body of Christ, creating a sacred space where all are invited to encounter the living God."*

PLEASE PRAYERFULLY CONSIDER BECOMING AN ALTAR SERVER, USHER, LECTOR, OR EUCHARISTIC MINISTER FOR OUR PARISH FAMILY!

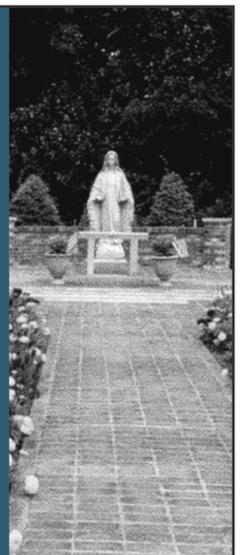

If you feel called to serve in this capacity, please contact the parish office at 724-537-8909. Thank you!

Our Lady's Garden News

Our Lady's Garden at Saint John has always been a place for peaceful prayer. The engraved bricks are a visual reminder of our passed loved ones as well as those of us that remain.

We are in need of **FOUR** volunteers to help plant, weed and water during the spring and summer months. In the past, six teams of two gardeners were rotated through half of May, June, July, August, September and October. If you cannot commit to an entire season, no worries! We can always use extra hands when we plant. Call the parish office for more info or to add your name to a team or sub list.

We are accepting **ALL DONATIONS** of time, talent, and treasure to keep the garden as beautiful as she is!

Marriage at Saint John: Contact the Pastor at least six months before your desired date.

Baptism at Saint John: Contact the Pastor. Parental Preparation Class is required.

The staff of Holy Family and Saint John would like to extend a joyous, Happy Easter to our parish families!

*Christ is Risen: The world below lies desolate
Christ is Risen: The spirits of evil are fallen
Christ is Risen: The angels of God are rejoicing
Christ is Risen: The tombs of the dead are empty
Christ is Risen indeed from the dead,
the first of the sleepers, Glory and power are his
forever and ever.*

Resurrexit sicut dixit, alleluia! How audacious is God's love! So much has been written and spoken about the Easter story over the two millennia of Christendom. What more can possibly be said? Each of the four evangelists records for us the events "early in the morning on that first day of the week" and, while the details may differ slightly among them, the focus is on the empty tomb and the reactions of those who encounter it. In John's Gospel, other than the Beloved Disciple, everyone else goes away from the scene with bewilderment and astonishment while in Mark's account the women leave confused and terrified. Easter faith is not found there but only through encountering the Risen Christ. For Mary Magdalene that encounter comes as she weeps at the tomb. For Peter and the other disciples it comes as they sit behind locked doors in the upper room. For the disciples on the way to Emmaus it happens in the breaking of bread. Once they encounter the Risen Christ, everything—all of Jesus' words and deeds, even the cross—makes sense.

Easter faith first comes to us as we encounter the Risen Christ at our baptism. But our faith is not yet perfect. Each year we come again to the empty tomb on Easter Sunday to contemplate, to reflect upon the central mystery of our faith so that we may grow in union with Christ. But, just as Mary, Peter, and the others do not remain at the tomb, neither can we. The great 50 days of the Easter Season lies before us. As our world and our churches resonate with Easter alleluias, the Risen Christ beckons us to fuller and livelier faith. Easter is a season of celebration—a time for the Risen Christ to illumine our minds and enflame our hearts.

Easter, more than any other feast of the Christian year, speaks to the believer in the depths of the heart. The Word became flesh and dwelt among us. In the perfect sacrifice of the cross he redeemed our frail humanity and our sinful nature and in his resurrection he gives us the hope of salvation. All of this is accomplished not because we are deserving or worthy of anything, but solely through the incomprehensible, gratuitous love of God. Robert Farrar Capon in his book, *The Supper of the Lamb*, writes: "Playing it safe is not divine. I tell you simply what I believe. Love is the wildest, choicest door into the Passion. God saved the world not by sitting up in heaven and issuing antiseptic directives but by becoming human, and vulnerable, in Jesus. He died, not because he despised the earth but because he loved it as a man loves it—out of all proportion and sense. And when he rose again, he stood up like a man indeed: with glorious scars—and with flesh, bones, and all things appertaining to the perfection of human nature." How audacious, indeed, is God's love! May the glory of this Easter Day fill your hearts with joy today and always!

Welcome to all of our guests today, especially those who have "returned home" to celebrate Easter with family and friends. Welcome back to our parishioners we don't see too often; you are part of our parish family and your presence makes us more complete. We would love to see you more often!

The days of this week constitute the Easter Octave or, as many Eastern Rite Catholics and Orthodox Christians know it, Bright Week. Having completed the solemn journey of Lent, the Church is filled with joy as we celebrate our Lord's triumph over the grave. So full is our joy that it cannot be contained in just one day; therefore, we celebrate this entire week as though it were one great day of rejoicing. While they are not obligatory, consider making an extra effort to attend daily Mass this week to continue our glorious Easter celebration.

Our 2024 Diocesan Lenten Appeal keeps rolling along... As of the March 18 report from the diocese, Holy Family has now passed its diocesan target! That means that everything we collect for the remainder of this year's appeal will be returned to the parish, assessment-free so that we can get to work on our parish project: updating of the church's security and fire alarm systems. We are 75% of the way to our parish goal and so far we have only heard from 15% of the parish; big thanks to those who have made a pledge or gift to get us this far! St. John is just about halfway to our parish goal and so far, 34% of our households have made a pledge or gift; thanks to everyone who is helping to move us forward. Remember that our parish project is to do some needed repair work to our main entry doors to the church and to add an automatic opener to improve access. The weekly graphic elsewhere in the bulletin will keep you updated on our progress at both parishes. Please prayerfully consider your pledge or gift to this year's DLA in the coming days. You may return your pledge or gift by mail, in person during office hours, drop it in the collection basket, or online.

And finally—an Easter Sunday tradition in this column over the years and through my various assignments—from Father George's vast warehouse of useless knowledge, a little Easter date trivia: I have heard quite a few people commenting this year that Easter seems to be very early. While it is more common for Easter Sunday to fall in the month April, this is the fourth time in 33 years it has happened on March 31 (1991, 2002, and 2013 being the other three occurrences). Actually, since the adoption of the Gregorian calendar in 1583, Easter Sunday has fallen on March 31 about four or five times each century; in the 21st century it has happened three times already and it will happen twice more but only the youngest among us will be around to see the other two occurrences in 2086 and 2097. A very early Easter in one year typically means a very late date for Easter the following year and such will be the case in 2025 when Easter Sunday falls on April 20.

On this Easter Sunday, we hear from Saint John the Evangelist in our Gospel Reading...

On the first Easter, Mary Magdalene “ran and went to Simon Peter and to the other disciple whom Jesus loved, and told them, ‘They have taken the Lord from the tomb, and we don’t know where they put him’” (John 20:2).

John recalls, perhaps with a smile, that he and Peter ran side by side, but then “the other disciple ran faster than Peter and arrived at the tomb first” (John 20:4b). He did not enter, but waited for Peter and let him go in first. “Then the other disciple also went in, the one who had arrived at the tomb first, and he saw and believed” (John 20:8). (Franciscan Media)

Saint John, beloved disciple of Jesus, pray for us!
